Proceedings: (In Chambers) Order DENYING Request for Order re Stipulation

The United States and Claimant Red Granite Pictures, Inc. have filed stipulations in these case regarding appointment of an "operational fiduciary." Along with the stipulations, the parties filed proposed orders for the Court's signature. Those proposed orders merely state that "Pursuant to the stipulation and request of the parties, and good cause appearing therefor, the attached stipulation IS SO ORDERED." This makes no sense. The Court does not "order" a stipulation. It is unclear what the parties want the Court to order or what the purported effect of that order would be. Therefore, the requests are DENIED.

IT IS SO ORDERED.
