

5. TWDC should **allocate content spending** and outline how it will expand its content catalog to represent the LGBTQIA+ as well as transparent reporting on methods of community inclusion, content creation and inception.
6. TWDC should pledge to **create an LGBTQIA+ brand** similar to that of "The Onyx Collective" focusing on LGBTQIA+ creators and underrepresented voices.

The LGBTQIA+ community is no stranger to advocating for ourselves - Pride is a protest, after all. Our community in TWDC is no different and we will show you how strong we are together.

*This letter is in partnership with members of the LGBTQIA+ community across Disney Corporate, Disney Television Animation, Lucasfilm, Pixar, Disney Media and Entertainment Distribution, Disney Streaming, Enterprise Finance, Enterprise Technology/Global Information Security, Bento Box*
